### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors The International Dark-Sky Association, Inc. dba DarkSky International

#### Opinion

We have audited the accompanying financial statements of The International Dark-Sky Association, Inc. dba DarkSky International (a nonprofit organization), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements (collectively, "financial statements").

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The International Dark-Sky Association, Inc. dba DarkSky International as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The International Dark-Sky Association, Inc. dba DarkSky International and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The International Dark-Sky Association, Inc. dba DarkSky International's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## INDEPENDENT AUDITOR'S REPORT, CONTINUED

### Auditor's Responsibilities for the Audits of the Financial Statements, continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The International Dark-Sky Association, Inc. dba DarkSky International's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The International Dark-Sky Association, Inc. dba DarkSky International's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

LUDNIG KLENER - RUDNER PLLC

### NOTES TO FINANCIAL STATEMENTS For the years ended December 31, 2023 and 2022

### 1. Organization

The International Dark-Sky Association, Inc. dba DarkSky International (the Organization) was organized as a non-profit corporation in 1988. The purpose of the Organization is to restore the nighttime environment and protect communities from the harmful effects of light pollution through outreach, advocacy, and conservation. The Organization receives most of its funding through membership and contributions as well as grants from various sources.

Some of the Organization's activities are conducted by chapters. As of December 31, 2022, chapters in eight states were organized into single-member limited liability companies (LLC) with the Organization as the sole member of each LLC. During the year ending December 31, 2023, all the LLCs were dissolved, and the chapters were either incorporated as separate 501(c)(3) organizations or became volunteer-only chapters of the Organization.

# 2. Summary of Significant Accounting Policies

### Basis of Presentation and Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities. Revenue is recognized when earned and expenses are recognized when incurred.

## **Financial Statement Presentation**

The Organization reports net assets, revenues, gains and losses based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- <u>Net assets without donor restrictions</u> net assets available for use in general operations and not subject to donor (or grantor) restrictions. As of December 31, 2023 and 2022, the Board of Directors has designated net assets in the amount of \$490,000 as a general operating reserve to help ensure the long-term financial stability of the Organization.
- <u>Net assets with donor restrictions</u> net assets subject to donor (or grantor) restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

### Contributions

Contributions are recognized as revenue when received or unconditionally promised. The Organization reports gifts of cash and other assets as increases in net assets without donor restrictions if the restrictions expire (that is, when stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions.

### Grants and Contributions Receivable

Grants and contributions are recognized as revenue in the period in which the Organization receives notification of a grant or contribution. The Organization provides an allowance for doubtful accounts that is based upon a review of outstanding receivables, historical collection information and existing economic conditions. There was no allowance for doubtful accounts at December 31, 2023 and 2022.

See independent auditor's report.

## NOTES TO FINANCIAL STATEMENTS For the years ended December 31, 2023 and 2022

## 2. Summary of Significant Accounting Policies, Continued

# Conditional Grants and Contributions

The Organization received a conditional contribution during the year ended December 31, 2022. The total amount of the contribution is \$1,000,000 and is payable over a three-year period beginning during the year ended December 31, 2022. The contribution is restricted as to use and must be invested in the Organization's strategic plan as defined in the agreement. The Organization received \$320,000 and \$300,000, respectively, during the years ended December 31, 2022. The agreement also specifies certain contingencies that must be met to receive the remaining \$380,000 pledged by the donor. As a result, the remaining \$380,000 will not be recorded as contribution revenue until the specified contingencies are met.

## **Donated Services and Materials**

Donated materials are valued at their fair market value. Donated services are recognized in the combined financial statements at their fair market value if the following criteria are met:

- The services require specialized skills and the services provided by individuals possessing those skills.
- The services would typically need to be purchased if not donated.

Although the Organization may utilize the services of outside volunteers, the fair value of these services has not been recognized in the accompanying combined financial statements since they do not meet the criteria for recognition under accounting principles generally accepted in the United States of America.

Donated services for the years ended December 31, 2023 and 2022 consist of legal services in the amount of \$101,245 and \$-0-, respectively, and were fully-utilized for program services.

## Cash

For the purposes of the consolidated statement of cash flows, the Organization considers all cash and highly liquid investments purchased with an original maturity of three months or less to be cash equivalents. Cash balances are maintained at various financial institutions. The Federal Deposit Insurance Corporation (FDIC) insures cash accounts up to \$250,000 per institution. At December 31, 2023 and 2022, the Organization had \$168,290 and \$-0-, respectively, on deposit with a financial institution in excess of FDIC limitations. Investments held by other institutions are covered up to \$500,000 under insurance provided by the Securities Investor Protection Corporation (SIPC). However, SIPC does not protect against losses on market value. At December 31, 2023 and 2022, the Organization had cash and investments in the amount of \$911,505 and \$992,903, respectively, on deposit with a financial institution in excess of SIPC limitations. It is the opinion of management that the solvency of the referenced financial institutions is not of concern at this time.

### Investments - Other

Investments - other is comprised of various certificates of deposit held for investment that are not debt securities. The certificates of deposit mature between January 2024 and August 2027, have an annual fixed interest rates ranging from 3.35% to 4.9% and are recorded at fair market value.

Certificates of deposit with original maturities greater than three months and remaining maturities less than one year are classified as current, and certificates of deposit with remaining maturities greater than one year are classified as non-current.

### NOTES TO FINANCIAL STATEMENTS For the years ended December 31, 2023 and 2022

### 2. Summary of Significant Accounting Policies, Continued

## Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the combined statement of financial position. Unrealized gains and losses are included in the change in net assets.

#### Furniture, Equipment and Software

Purchases of furniture, equipment and software having a unit cost of \$1,000 or more and an estimated useful life of more than one year are capitalized at cost. Donated furniture, software and equipment meeting the same criteria is recorded at estimated fair market value on the date of the donation. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets which range from five to ten years. Amortization of software is calculated using the straight-line method over the estimated useful lives of straight-line method over the estimated useful life of five years.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

### Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC). However, net income from advertising activities not directly related to the Organization's taxexempt purpose may be subject to taxation as unrelated business income. There was no income tax expense for such unrelated business income for the years ended December 31, 2023 and 2022. The Organization is classified as other than a private foundation under Section 509(a) of the IRC.

The Organization is the sole member of each of the chapter limited liability companies. The Internal Revenue Service disregards single-member limited liability companies for income tax reporting purposes. Therefore, the net activity from the chapters is combined and reported on the Organization's annual Return of Organization Exempt from Income Tax.

The Organization's policy is to disclose or recognize income tax positions based on management's estimate of whether it is reasonably possible or probable, respectively, that a liability has been incurred for unrecognized income tax positions. As of December 31, 2023, there were no uncertain tax positions that are potentially material. In addition, management is not aware of any matters which would cause the Organization to lose its tax-exempt status.

### Functional Expenses

The financial statements report certain categories of expense that are attributable to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation, rent and other occupancy-related costs, as well as salaries related expenses, travel, office expenses, printing, professional fees and information technology, which are allocated on the bases of time and effort estimates.

### 3. Liquidity and Availability of Resources

The Organization structures its financial assets to be available as its general expenditures, liabilities and other obligations become due. Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the consolidated statement of financial position date, are comprised of the following at December 31,:

#### See independent auditor's report.

See independent auditor's report.

### NOTES TO FINANCIAL STATEMENTS For the years ended December 31, 2023 and 2022

### 6. Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.
- Level 2: Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
  - If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value as of December 31, 2023 and 2022.

• US treasury securities and exchange traded funds: valued at fair value based on national trade listing.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair values of investment assets at December 31, 2023 and 2022, all considered Level 1, include exchange traded funds of \$199,344 and \$161,036, respectively, and US Treasury securities of \$37,020 and \$36,546, respectively.

# NOTES TO FINANCIAL STATEMENTS For the years ended December 31, 2023 and 2022

### 7. Net Assets With Donor Restrictions

Net assets with donor restrictions are restricted as follows at December 31,:

	2023		1	2022
Subject to expenditure for specified purpose:				
Campaign for Dark Skies	\$	599,642	\$	562,645
Protecting Dark Skies of the American Southwest		100,000		100,000
UA Lighting and policy database		=		27,414
Website and CRM				49,315
Chapters		23,807		76,218
Sky quality monitors		-		2,234
Dark & Quiet Skies policy		118,448		2
		841,897		817,826
Endowments:				
Perpetual in nature	-	41,900		37,000
Total net assets with donor restrictions	\$	883,797	\$	854,826

Activity in net assets with donor restrictions is comprised of the following for the year ended December 31, 2023:

			Releases/		
	Co	Contributions		Transfers	
Subject to expenditure for specified purpose:					
Campaign for Dark Skies	\$	350,000	\$	(313,003)

Endowments:				
Perpetual in nature		5,000		-
	\$	789,388	\$	(150,696)

# 8. Endowments

The Organization's endowments include donor restricted funds. As required by accounting principles generally accepted in the United States of America applicable to nonprofit organizations, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization has interpreted Arizona's version (Titled the "Management of Charitable Funds Act" (the Act)) of the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The Board of Directors has appropriated 2023 and 2022 earnings on unrestricted investments and on donor-restricted endowments, which are not subject to donor stipulation, for expenditure.

As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Organization considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulation to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Organization has interpreted the Act to permit spending from underwater funds in accordance with the prudent measures required under the law.

# NOTES TO FINANCIAL STATEMENTS For the years ended December 31, 2023 and 2022

### 8. Endowments, Continued

In accordance with the Act, the Organization considers the following factors in making a determination to appropriate or accumulate endowment funds:

- The duration and preservation of the fund
- The purposes of the organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the organization
- The investment policies of the Organization

### Funds with Deficiencies

From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). We have interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. At December 31, 2023 and 2022, there were no funds with deficiencies.

## **Investment and Spending Policies**

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by the endowment fund while seeking to maintain the original value of any contributions to the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity. Investment income on endowment funds is appropriated for expenditure in the year earned, and is, therefore, included in net assets without donor restrictions. During the years ended December 31, 2023 and 2022, the Organization received \$4,900 and \$5,000, respectively, in donor-restricted endowment contributions.

## 9. Operating Leases

During July 2023, the Organization renewed its office space lease under a non-cancelable operating lease that will expire on August 1, 2024. Total rent expense for the years ended December 31, 2023 and 2022 was \$20,751 and \$19,627, respectively. Future minimum lease payments due under the lease as of December 31, 2023 are \$12,005 during the year ended December 31, 2024.

### 10. Subsequent Events

As of June 27, 2024, management is not aware of any subsequent events having occurred that would have a material impact on the presentation of the Organization's financial statements.
